**EMERGENCY MEDICAL SERVICES**

## Wareham EMS Mission Statement

Wareham Emergency Medical Services is a third service municipal advanced life support ambulance service operating at the Paramedic level. Our mission is to provide the best possible pre-hospital emergency medical care and transportation, for our residents and visitors. We will accomplish this through quality compassionate care, continuous quality improvement and continuing education.

We will treat all that we interface with, with respect, politeness, kindness and dignity. We will be professional in our actions and attitude. We value honesty, trust and integrity in our performance. We will provide a safe, caring and productive workplace.

We strive to be a leader in our profession and serve as a role model for other emergency medical service agencies and an organization that our employees can be proud to be associated with.
