Discussion was primarily based on finessing and finalizing the language that shall be included in the Grant Application.

As this was a working session of the WAHT, no proposals or votes were taken. Discussion centered on tentative drafts of:

- 1) Notification of Funding Availability
- 2) Wareham Affordable Housing Trusts Grant Application

Motion was made by Missy Dziczek to adjourn at 10:15 seconded by Ms. Churchill. The vote was unanimous.

Respectfully submitted,
