June 21, 2018

3-0-0 (with corrections)

License approved 3-0-0 for Elizabeth Chambers to have the right of burial in Centre Annex, Lot 278, graves 1&2.

Wareham Village Funeral Home, representing the Tomlinson family lot, requested permission to install a flat marker on Lot 119, grave 2A in Centre Cemetery. Vote 3-0-0

Director's Report:

For the month of July there were four internments: three (3) cremations and one (1) full burial. Mr. Menard stated that the operation of having the 375 gallon water tank aide with filling the rain barrels in the cemeteries have worked out very well. He stated that this month has been fairly quiet with just mowing and weed whacking the cemeteries.

Old Business:

Three errors were found in the original printing of the new, adopted Rules and Regulations booklet. Mrs. Bird returned the booklets and they should be reprinted by July 23, 2018. Deborah J. Rose was generous enough to make a cemetery donation and pay to have the Rules and Regulations printed. Unfortunately, she has also decided to step down as a Cemetery Commissioner, effective August 31, 2018, due to the fact that she will soon be relocating out of town. Her last cemetery meeting will be August 16, 2018. We wish her the best of luck in all of her future endeavors.

Mrs. Bird went before the Board of Health on July 18, 2018 to request the Board of Health to accept the parcel of land and allow the Town of Wareham to use the Agawam Cemetery for burial purposes, of which they agreed too. She would like to receive any information pertaining to Centre, as this land might need to be approved as well.

Meeting adjourned at 8:48 am

Next meeting will be held on August 16, 2018, at the Municipal Maintenance Department.
