Relocation requests are considered subject to the following restrictions:

1. Same mooring field requests only.
2. If a Relocation Application request is received for other non-wait list areas and waiting list areas it will be placed on the Mooring Waiting list by the date it was received. Preference will not be given to relocation applications.
3. Assignments are determined for the boat currently assigned to the mooring, not "future purchases," etc.
4. Requests may be denied if it is determined by the Harbormaster the vessel is not suitable for the requested area.
