BURGESS PLAN

The Town of Wareham is offering to all residents an opportunity to subscribe to the Burgess Plan for an annual fee of \$50.00. As a subscriber of the Burgess Plan, any household member who uses the ambulance service for any emergency (within Town limits) will not be billed.

If you have medical insurance, the Town of Wareham will bill your insurance company for the ambulance service. If the cost is not fully covered, as is often the case, you will not receive a bill for the balance. The full cost, plus billable extras, will be billed to non-subscribers.

All ambulance users are subject to the rules of transportation for the ambulance. The Wareham Emergency Medical Service provides EMERGENCY transportation only, and such transportation shall be to Tobey Hospital.

For non-emergency transportation (such as direct admissions and transfers) private ambulance service providers should be contacted.

If you wish to subscribe or renew a subscription for this service, please return the coupon below with a check or money order for \$50.00 made payable to the Town of Wareham and mail to the above address.
