 - Treasurer's report accepted as written.
- Marilyn presented the coordinator's report:
 - Marilyn will apply for the 2021 DEP grant for possible \$1,500 - used to buy composters, brochures, newsletter printing.
 - Also Dividends grant which is based on points (e.g. for swap shed, accepting hazardous waste...minimum 8 points, we have 11) for possibly another \$1,500. We now qualify because of single trash hauler.
 - Town report is due 7/29/21...Marilyn is working on it.
 - No meeting yet with Derek re: stickers.
 - TVs were picked up by CRX (Complete Recycling Services). Once a year cost is approx. \$400...no longer taking tube TVs, so we should send people to New Bedford Waste.
- Committee Membership
 - New candidate (Dan Brossi), had been to the Center and subsequently emailed Jenn with his ideas. It was decided to wait on further steps until we know direction of our work at the Center.
 - Charlene may continue volunteering at the Center
- Discussion re: Transfer Station/ABC - who is tracking program success? We'll ask Jim.
Is there a "pickup all items" day scheduled for 2021? Last one was held in August 2020. Need to find out who coordinates and who picks up?

Amanda moved to adjourn the meeting; Earl seconded.

Meeting adjourned at 6:03pm.
