Complaint of Vicious or Barking Dogs Section 157, Chapter 140, General Laws

November 9, 2021

I hereby make complaint hereon, that the dog owned or harbored by:

Adam Bruneau
18 Naushon Rd
Wareham, MA 02571

Is dangerous by reason of aggression:

1. The dog, described as a 10 year old, male, American Bulldog, named Flash, had broken through the backyard fence and attacked the neighbor, Ernest Trox, inflicting serious injury.

On October 15, 2021 I was dispatched to 18 Naushon Rd for a reported dog attack. The victim, Ernst Trox, was in his own yard at 20 Naushon Rd when the dog owned by Adam Bruneau "pushed through" his backyard fence and attacked the neighbor unprovoked. The dog knocked the victim to the ground and then latched onto his left arm. It was not until the dog's owner pulled the dog off of the victim that the attack ended.

The injured arm has needed multiple surgeries and skin grafts to repair the damage.

This complaint is made under the penalties of perjury.

NARRATIVE FOR PATROL OFFICER JENNIFER BRALEY

Ref: 21-1569-OF

On 10/15/2021 at 0754 hrs. I was dispatched to 20 Naushon Rd. for the report of a dog bite. Dispatch advised the victim was bleeding profusely and that the dog had been secured. Upon arrival, I spoke with the victim, Ernest Trox (DOB: 11/18/46) and it appeared that the bleeding to his left arm was under control. Trox's arm was wrapped in several towels and elevated. Trox stated that he was walking his dog when the neighbor's dog came running at him from behind it's fence. Trox stated the dog knocked him down and then grabbed his left arm with it's mouth, tearing the skin through the muscle, down to the bone. Trox stated his neighbor, Adam Bruneau (DOB: 09/26/84) immediately ran to him and the dog from the backyard. Trox stated that Bruneau immediately brought the dog in the house and returned with towels to help stop the bleeding.

I then spoke with Bruneau who remained with Trox. Bruneau stated that his 9 year old, American Bulldog was in the backyard, started barking and ran out of the backyard towards the street. Bruneau stated the dog knocked Trox down to the ground and then grabbed his arm. Bruneau stated that he grabbed the dog and secured him in the house in his crate. Bruneau stated that he doesn't understand why the dog went after Trox. He stated the dog has been to obedience training and has never behaved this way before. Bruneau stated that the dog is up-to-date with its vaccinations and his vet is Dr. Fall at Animal Health Clinic.

Due to the severity of Trox's injuries, he was transported to St. Luke's Hospital by Wareham EMS. Wareham DNR was notified and Bruneau was advised to quarantine the dog until given further instructions by Wareham DNR.
