To Whom it May Concern:

On behalf of the Wareham Community Events Committee, I would like to express our support of the Wareham Planning Board's efforts to rehabilitate the freight building on the Tremont Nail site for use as an events center. The town of Wareham needs venues such as the nail factory to provide space for both private and public indoor and outdoor town events. Without a community center, event space is at a premium and the few places that can currently be used are in great demand.

We hope you are successful in getting a grant from the MA Cultural Council to help fund the rehab.

Sincerely,

Lori C. Benson
