Senior Citizen Tax Work-off Program Policy

What Is The Senior Citizen Tax Work-Off Program?

The Town of Wareham has adopted the provisions of MA General Law Chapter 59 Section 5K, as amended, which allows for a Senior Citizen Tax Work-off Program. For 2017, the program offers seniors the opportunity to contribute up to 45.5 hours of service to the Town and receive up to a \$500.00 reduction in real estate taxes. The pay rate is \$11.00/hour, the Massachusetts minimum wage, but participants will not earn paychecks. Instead, they will receive a voucher that can be submitted to the Tax Collector as evidence of the amount earned, which will then be deducted from the property tax bill. (Only good for the year of service.) The program runs annually from April 1st through October 31st.

Participants in the program may earn credits in addition to any property tax exemptions they may be eligible for under other statutes, such as personal property exemptions under MA General Law Ch. 59, Section 5 or residential exemptions under MA General Law Ch. 59 Section 5C. Residents may also defer the balance of their taxes under MA General Law Ch. 59 Section 5 (41A) if they are eligible to do so.

Under the law (CH 59 5K) the reduction in property taxes is exempt for State income tax purposes; **it is** considered income for Federal income tax purposes. The Town of Wareham will issue a 1099 to all residents that participate in this program. Each individual property owner should discuss with a financial advisor or an accountant to determine how this may effect any retirement benefit they currently receive. The Town has available information from Social Security that may help.

What Are The Eligibility Requirements?

Participants in the Town of Wareham must be 60 years of age or older as of July 1, 2017. They also must be year-round Wareham tax-paying primary residents that have demonstrated financial hardship or need in order to have first priority in the program. ***Annual income must be within maximum guidelines of: Individuals \$30,000 and Married couples \$40,000.*** Applicants that have some special skill of particular use to the Town will receive second priority.

What Are The Days And Hours?

The participant's schedule and the needs of the department will be coordinated by the department head. The actual number of hours will depend on the tasks at hand, but participants may not work more than 45.5 hours in the tax year. Participants may begin work after assignments have been drawn via lottery and must finish the program by October 31, 2017. Work performed after October 31, 2017 will be credited to the following year's actual tax bill. Beaches are open seven days/week and the schedule will be arranged accordingly to ensure coverage.

You are looking for Mandatory Training Requirements and you will be brought to a page that lists "Online Training Program." You will be guided through some questions with multiple choice answers. If you make a mistake you will need to try again as you must get all questions correct. Once that has been done you will receive the following:
