Pledge of Allegiance

Approval of Minutes – Motion made by Julio Roderick and seconded by Don King, passed unanimously.

Upcoming Projects: Veterans Day Project

Reports:

Paul Giegler – Working on getting back-paid funding for plaque, but he has not yet received it.

Skip Sarnelli – Reported on the presence of the Huey 204 helicopter across from the musical display the previous week.

Discussion:

Skip Sarnelli: Discussion of flying the POW/MIA flag over the plaque from the moving wall was brought up, and then Don King made a motion to cross-drill holes onto the plaque rock, in order to hold a flag pole. This motion was seconded by Joseph Fitman, and promptly brought up for discussion. The decision was made to table this matter until the following year, when there was a more generous time frame.

Additionally, Mr. Sarnelli brought up for discussion the need for a new 501C3, and that we must find a new charity organization if we are to continue down this route. This discussion was tabled until a further date, when we can act more efficiently on it.

Motion to adjourn at 2015 made by Julio Roderick and seconded by Joseph Fitman

The next meeting will be held on September 27<sup>th</sup> at 1900.

Respectfully submitted,

Joseph Fitman, Clerk
