A. Petition #21-15 – Matt & Kathleen Shannon – 1 Wareham Lake Shores Drive

Present before the Board: JC Engineering Representative

The representative explained the project. The petitioner is looking to construct a 24x30 single story detached garage. Based on a letter from the Building Commissioner dated September 9, 2015, the proposed structure will not meet the required setback per Section 625 of the Zoning Bylaws. The Building Commissioner noted that the exact dimension will be determined by a Conservation Commission filing at a later date. This number should be submitted to the Zoning Board of Appeals in seeking a Variance.

The representative proceeded to present evidence re: how the application meets the statutory requirements for granting a Variance.

Discussion ensued.
