## POLICY STATEMENT BOARD OF SELECTMEN

### EXTRAORDINARY SERVICES FEE POLICY

Effective April 15, 2002, the Town of Wareham will begin charging for **Extraordinary Services** provided by the Town at special events. **Extraordinary Services** are defined as activities provided outside of the scope of the regular work day by Town employees or other employees contracted to the Town who have been assigned to specifically "work" the event.

The type and size of the event and the projected attendance at the event, as well as the amount of volunteer labor provided by the event's organizers, will determine the Town department that will be involved. Potential departments could include Police, Municipal Maintenance, EMS, Health, and Inspectional Services.

Fees quoted for services represent the maximum amount. In no circumstances will the final cost exceed the quote. Final charges will be determined by the type and number of personnel required.
