5. CITIZEN'S COMMENTS

Present before the Board: Pat Lester

Mr. Lester talked about the basketball championship event that took place which led to the decision made by the Town to remove all basketball hoops. He stated that he understands the reasoning behind it, but wanted to suggest leaving one hoop open and using signage consisting of the rules and Governor's guidelines. Ms. Allen-England stated that there was a meeting held with the organizers of the basketball event and it was determined that in order to comply with public safety, the only solution was to take down the nets. This is strictly a public health issue and the Board of Health does not have the means to continuously check to make sure guidelines are being followed. She also stated that she reached out to the State and verified that the Town has the authority and obligation to take the nets down.

Present before the Board: Cheryl Gorgeatt-Dill, Animal Control Officer, Agapi Stratakias, Rallitsa Koulouris, Joeyna Barber

Ms. Gorgeatt-Dill read into record the incident report from Officer Joshua Kimball of the Wareham Department of Natural Resources. (attached) Ms. Gorgeatt-Dill also stated that there had been past incidents involving the two dogs reported in this incident.

Ms. Stratakias spoke on behalf of her mother, Rallitsa Koulouris. She stated that the dog's name was Dexter and was a small dog similar to a Chihuahua. He was a rescue dog saved from a shelter and was considered a very loving member of the home. She requested euthanization of the dogs that attacked Dexter in order to keep the community safe. Mrs. Koulouris stated that as the attack on her dog was happening, a man stopped to help her. He tried separating the dogs from her dog, but was unsuccessful. Selectman Tropeano asked Mrs. Koulouris if the man that helped her brought her to his car and if the dogs were jumping on her. Her response to both questions was yes. Selectman Teitelbaum asked if there was any attempt from the owner of the two dogs to help with the veterinary bills. Ms. Koulouris responded no. Selectman Whiteside questioned the length of time the dogs were loose and Ms. Gorgeatt-Dill confirmed that the dogs were loose for approximately fifty minutes. Ms. Barber stated she was not home at the time of the incident and explained that she

SELECTMEN MEETING MINUTES-7/21/2020 (CONT'D)

has never had any issues with her dogs and they are people friendly. The dogs reported in the past were her prior dogs she no longer owns. She also stated that her dogs had not been licensed until recently and their rabies shots are up to date. Selectman Munise asked what steps she has taken since the temporary order was placed. She stated she has adhered to the temporary order given and nothing else. Selectman Whiteside asked how many times prior to this report have the dogs attacked. Ms. Gorveatt-Dill stated the other reports involved her previously owned dogs.

Ms. Gorveatt-Dill explained that she has been working with Ms. Barber since 2014 to prevent further incidents. Ms. Barber has been cooperative with all of the requests. However, the problem is she is not always home and with constant traffic in and out of the house, the dogs have more of a chance of escaping the property. Ms. Gorveatt-Dill stated that she cannot trust setting forth safety measures for these dogs that will be enforced and cannot take the risk of someone getting hurt. Therefore, she is recommending humane euthanasia for both dogs.

MOTION: Selectman Tropeano moved to close the hearing. Selectman Whiteside seconded. Roll Call: Selectman Slavin-yes, Selectman Tropeano-yes, Selectman Munise-yes, Selectman Whiteside-yes, Selectman Teitelbaum-yes.

PERSONNEL NARRATIVE FOR DNR OFFICER JOSHUA KIMBALL

Ref: 20-450-OF

On March 31st 2020 at approximately 10:50am I Officer Joshua Kimball of the Wareham Department of Natural Resources was called to Swifts Beach for a reported dog attack in progress. While responding to the location, Officer Braley had arrived on scene and stated that one of the dogs were deceased. Upon arrival, Officer McGuire was on scene and with the help of Officer Braley was able to secure 2 loose pitbulls that ultimately killed another dog. The owner of the now deceased dog was identified as Konstantinos Koulouras DOB 07/02/1955 and Rallitsa Koulouras DOB 06/08/1956. Joeyna Barber DOB 01/26/1971 was later identified as the owner of the 2 pitbulls.

R. KOULOURAS was walking with her small black and tan Chihuahua on Swifts Beach when 2 large unleashed pit bulls came running after her. R. KOULOURAS stated to Officer McGuire that she picked her dog up as the 2 pitbulls came after her and the 2 dogs were jumping up at her. She dropped her dog, and the dogs did not attack her, instead they killed her Chihuahua (see attached photos). There was no owners in sight of these 2 pitbulls.

I put the 2 pitbulls (one black and white female and the other gray and white male) in the back of the Animal Control van for transport to the Lakeville Animal Shelter. BARBER had contacted Officer McGuire in the area of Swifts Beach and claimed the 2 dogs as hers. I made phone contact with BARBER and she claimed the 2 dogs as hers. I asked how the dogs got out and she stated that one of her kids friends left the door open sometime around 10am this morning and the dogs have been out since. BARBER further stated that normally the dogs go out to a pen in the back yard. I asked BARBER if the dogs were up to date on rabies shots and she stated that they were. I asked her to provide proof of that, which she did. However the rabies vaccines were expired in 2019 and both dogs have not been licensed since 2016. I advised BARBER that she would be receiving a citation in the mail for 2 unleashed dogs, 2 unlicensed dogs and 2 loose dogs. I provided BARBER with instructions on how to retrieve her dogs from the animal shelter, placed the dogs in verbal quarantine over the phone and also advised her of safety restrictions of muzzle and leash when outside of the property, to follow for her animals until the dog hearing.

At approximately 2:30pm, I made contact with K. KOULOURAS to provide him with the owner of the pitbulls information. He stated the me that his dog was in fact not deceased, and he brought it to the veterinarian and they wanted over \$10,000 and he elected to have the dog humanely euthanized. He stated that his wife was in absolute shock and sad over the loss of the dog. I provided the owner information to K. KOULOURAS and also told him that a copy of this report would be available to him at the Police Station in a few days. I also advised him that we will be holding a dangerous dog hearing against BARBER.

Respectfully Submitted,

Ofc. Joshua Kimball #54
