Discussion continued regarding the article the Cemetery Commissioners would like to bring forth to the Fall Town Meeting. This was to combine Article 18 approved at the Spring Special Town Meeting held in 2014, and Article 14, Spring Town Meeting, 2014, into one article to be used for the cemetery expansion. Commissioners voted 3-0-0 to accept the article.

Tom Daley from Cemetery Helpful Solutions presented the corrected draft of the new Rules and Regulations (attached to these minutes) to the Board of Cemetery Commissioners for their review. Some changes that were discussed at the August Workshop were inserted to the revised Rules and Regulations. A change that was not corrected was in Section 24.0, Persons Aggrieved. The last sentence shall read: Management. The Management will have final approval. The words and Town Clerk will not be inserted into this section. These revised Rules and Regulations shall be delivered to the Board of Selectmen, as well as, Town Counsel for their review.
