## **VII. Public Safety Complex Meeting Update**

Charles provided an update on the progress. There will be a meeting at Town Hall soon with the study group to start ranking and zeroing in on sites. There are 19 criteria each site will be ranked on will determine the top choices. Doesn't think that WFD would be interested in Decas and there's real concern about losing those fields and playgrounds. Only one plan at Decas would preserve the fields, the rest would raze the building and grounds. There was some brief mention of moving town offices to Decas and using the Town Hall as the new Public Safety Complex. Tracie advised that she has heard similar things about moving offices before and she commended Charles for his hard work on all the various committees he's been involved with.
