Jon presented the results of the Community Center survey. After taking the group through the slides, Diane opened up the floor for questions and comments.

Tracie asked some clarifying questions on some of the charts and asked that they be adjusted in formatting since the text and colors are hard to read. The Household Info slide was requested to be deleted and change all the doughnut charts into pie charts. The age/interest slides were very busy, so the committee asked to limit the interest parts to the top 5 to make the comparison clearer. Lastly, the committee asked to make general formatting changes to enhance readability and clarity.
