WAREHAM HARBORMASTER DEPARTMENT

NOTICE TO MARINERS

STORM SAFETY

Weather conditions are favorable for a tropical storm or hurricane, we are advising all mariners against "riding out the storm aboard your vessel." Rescue personnel may be unable to assist you during the height of the storm.

BE ADVISED THAT ANYONE WHO DECIDES TO STAY ON ANY VESSEL DURING A TROPICAL STORM OR HURRICANE IS DOING SO AT HIS OR HER OWN RISK. THE HARBORMASTER DEPARTMENT WILL NOT RISK THE LIVES AND SAFETY OF OUR PERSONNEL DURING HURRICANE CONDITIONS.

Any person who chooses to stay aboard their vessel is urged to file a float plan with the Wareham Harbormaster Department. Make sure to inspect and update yourself with the operation of all safety and lifesaving devices.
