- It would be great to have transportation to the Providence airport available
- Is this effort in conjunction with the MBTA study? The "gateway" to Cape can become a true "gateway" to the Cape and beyond. The center itself should be a destination; transportation museum for kids, restaurants for folks waiting for trains, etc.,. How
- we need the T in town...
- There are many people living in Wareham who work in Boston so train service or at a minimum a shuttle to Lakeville is drastically needed
- Bus to New Bedford is very important to many people for a variety of reasons.
