This page shows analysis of submitted data, such as the number of submissions per component value, calculations, and averages. Additional components may be added under the "Add analysis components" fieldset.

Improving the parking lot at Hynes Field would help with the parking problems in Onset.

Agree	1
Disagree	2

A shuttle bus with stops throughout the village is a good idea.

Agree	1
Depends on the route and frequency	2

Onset needs more bicycle amenities such as bike racks and marked paths.

Agree	1
Disagree	1
Need a plan for these facilities	1

Suggestions

Left Blank	1
User entered value	2
Average submission length in words (ex blanks)	84.50

The parking at Hynes Field should be used by:

Visitors	1
Both employees and visitors	2

I will use the shuttle bus service.

Depends on the route and frequency	3
------------------------------------	---

Sustainable, environmental elements should be incorporated into the design.

Should be included in all town projects	2
Must be designed with measurable benefits	3
