- I use the site as a resource not to ask questions. I'd rather do that face to face.
- Selectmans meeting schedules, agenda and meeting minutes
- Agendas for meetings of public boards. Assessments of property. Notary service (it's great)
- I think the town warrants that we vote on should be on the town website at least 2 weeks before voting. When my garden club began putting voting issues on the web site we got voting done with a lot fewer questions and comments and folks generally felt more informed. It is not easy to read and understand a 20+ page document in 5 minutes.

5. What town departments could improve their websites and how?

- Answered: 25 Skipped: 41
 - provide more content
 - · Provide more meeting minutes Ability to view recorded meetings on demand
 - All of them, they should have much greater detail.
