

Town of Wareham

Marine Resources Commission

Meeting date: February 10, 2016

Attendees: Warren Hall Jr., Don Jepson, Dick Wheeler

The meeting opened at 7:00 PM

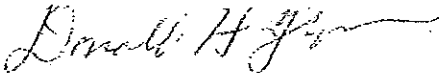

The meeting notes for the January meeting were read and approved.

The main objective of the the meeting was to review and discuss the proposed waterways bylaws 3 pages that the harbormaster handed out at the January MRC meeting. In an e-mail sent out by the harbormaster on the afternoon of the meeting (February 10th) the harbormaster indicated that he was not able to attend.

Some discussion was held regarding the waterways bylaws proposed changes, but without the harbormaster in attendance to answer questions, it was more speculative than constructive so it was determined that further discussion on the subject was not advisable.

The e-mail that was sent from the harbormaster recapped status of many of the projects he and his department were working on. The e-mail was reviewed by those present and the meeting was adjourned at 7:30 PM.

I attest these are the true MRC minutes of the meeting held February 10, 2016.
