

Town of Wareham

Marine Resources Commission

Meeting date: June 14, 2017

Attendees: Larry Bearse, Warren Hall, Jr., Don Jepson, Jim Smith, Dick Wheeler

The meeting opened at 7:00 PM

The minutes for the May MRC meeting were read and approved.

The harbormaster e-mailed in advance of the meeting that he would not be in attendance due to surgery he had on his arm. He indicated he had heard back from someone at the Army Corps of Engineers and that he received a lot of paperwork to complete for them. In the e-mail he sent, Garry provided updates regarding the projects he has in process.

It was suggested and agreed that a letter should be sent to the selectmen advising them that two members of MRC had decided not to continue as members as they were frustrated by the fact that the selectmen and their liaison had never acknowledged any of the advice MRC had provided and that the selectmens' liaison had never communicated with or attended any MRC meetings despite having been invited to attend.

The meeting was adjourned at 7:30 P.M.

I attest these are the true MRC minutes of the meeting held June 14, 2017.
