MINOT FOREST COMMITTEE MEETING

Minot Forest Committee Meeting April 14, 2022

Open meeting: 5:33

Present: Sandy Slavin, Judy Wetherbee, Angela Dunham, Linda Scharf

Minutes from last meeting: will look at, next meeting

Garry Buckminster contracted with Wildlands Trust to create a new map of the forest. Wildlands Trust removed dead end properties and those that led to residences. They created 3 loop trails. (Proposed map will be added to minutes) Trail markers and kiosks will be added.

3 loops: Naming them.

Marge's loop, principal trail, Minot/South Trail, yellow line (Marge Teitlebaum)

Donald's loop, (25 years on Open Space) Blue, sand pit area (Donald Hall)

Anne, white line, school loop .(Anne Campbell)

Dick Kent?

Dr. Kim Shaver-Hood hasn't found lost Minot Forest sign. Angie will look for it at Municipal Maintenance. Where will sign be placed? TBD at future meeting.

There's no No Parking sign behind school cafeteria (where there used to one.) Trail users can park behind the cafeteria, at base of hill, and the trail head goes up the hill.

Disc golf: Sandy doesn't have time to deal with the proposed project, so Linda will follow up with emails and setting up a site visit with Marcus and John. Sandy gave Linda gold disc proposal documents.

Sandy won't be here in May, so next meeting will be on Thursday, June 9, 2022.

Adjourned 6pm

Linda Scharf, Clerk, MFC

Proposed Trail Map for Minot Forest

Wareham, MA

205 Acres
