

Minot Forest Committee Meeting July 14, 2022

WAREHAM TOWN CLERK
2022 SEP 14 AM 11:44

Open meeting: 5:37pm

Present: Sandy Slavin, Angela Dunham, Linda Scharf

Minutes from 6.9.22 approved 3-0-0

Wildlands - work in progress. Future maps of Minot Forest will be dated, as requested.
Future discussion of how Wareham preserves its space

Angie made a motion to use full names on loop trails in Minot Forest. No one seconded. Angie is disappointed in not having first and last names of individuals that trails are named for, and that no vote was taken.

Disc golf: Sandy had no chance to meet with Mr. Sullivan. He will look at the possibility of a 9 hole course near the old nursing home near Minot Forest.
Sandy mentioned the disc golf event at Little Harbor. Didn't seem to be much besides items for sale from Cranberry Country Disc Golf.

Other business: Sandy noted that in 1951 when MFC was established, everyone on committee had a 5 year term. She wants to submit an article by early September to Town Meeting to reduce terms to 3 years.

Annual report: Sandy has started the process (due end of July). Angela offered suggestions.

Adjourned 6:03pm

Linda Scharf, Clerk, MFC
