Jennifer is participating in an Arbor Day Event at Makepeace on Thursday, April 21 from 10-2. She will be using toilet paper rolls to create "bird feeders" with kids.

Jennifer also mentioned a plastic collection project whereby 500 lbs of clean plastic bags can be exchanged for a prize of a Trex bench, which could be sold or raffled off for the benefit of the Recycling Center.

Regarding the Shredding event, Jennifer wondered whether the companies would accept already shredded paper (Amanda will find out).
