

The Wareham Land Trust Presents
**The Great Auk and the Great
Richard Wheeler**

**Saturday Nov. 4, 2017 at 2 PM
in the Methodist Meeting House, 495 Main St., Wareham**

Come meet environmentalist and master kayaker Richard Wheeler as we join together to view his PBS Nova special movie "Haunted Cry of a Long Gone Bird." Richard paddled the migration route of the now extinct great auk and learned how it met its demise – over fishing & over hunting. By retracing the 1,500 mile migration route of the great auk, Wheeler hoped to raise awareness of the fragile ecosystems of the North Atlantic coast.

Following the short film, Richard will answer questions and discuss his journey.

This event is **FREE** and refreshments will be served!
