

Butterfly & Insect Walk

**WLT Douglas S Westgate &
Fearing Hill Conservation Areas
Saturday, September 8th
10am - Noon**

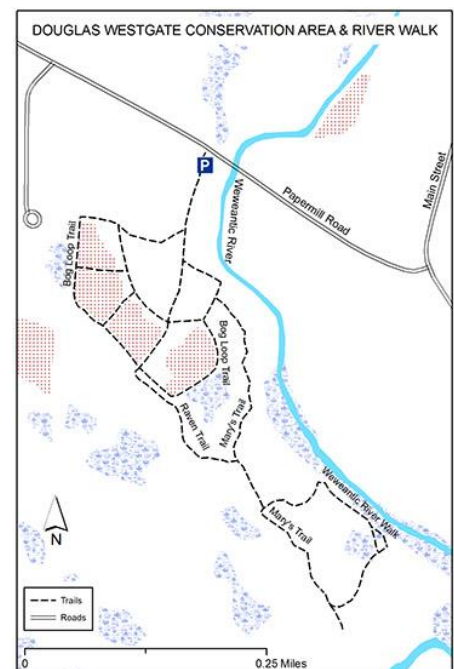

Come join us and your nature loving neighbors for a FREE & informative walk. The event will be led by Plymouth County entomologist Blake Dinius and WLT advisory board member Lauren Griffith.

We will begin at the Westgate property parking area with a short introduction on local butterflies & insects. Blake and Lauren will then guide us through the Westgate & Fearing Hill trails. Participants are encouraged to dress for a wooded walk. Binoculars are suggested but not necessary as some of the insects could be right by your feet or on a blade of grass!

VISIT warehamlandtrust.org for information about upcoming events & our properties

Papermill Road, West Wareham, MA -70.7637 41.7800
Follow Main Street to Papermill Road, which is less than a mile from the intersection of Fearing Hill Road. A parking area is provided on the left side of the Papermill Road. The Town of Wareham manages this area.
