

STORYWALK®: OVER AND UNDER THE POND

“Over the pond, the water is a mirror, reflecting the sky. But under the water is a hidden world of minnows darting, beavers diving, and tadpoles growing. These secrets and many others are waiting to be discovered, over and under the pond.”

Stop by The Wareham Land Trust’s Agawam River Trail (located at 20 Knowles Ave) to follow along with the children’s book “Over and Under the Pond” and explore the plants and animals that make up rich, interconnected wetland ecosystems.

This book will be up from July 2nd to July 16th.

The StoryWalk® Project was created by Anne Ferguson of Montpelier, VT and developed in collaboration with the Vermont Bicycle & Pedestrian Coalition and the Kellogg Hubbard Library. This StoryWalk® was funded by the Wareham Cultural Council.
