FINANCIAL SITUATION

Currently we are solvent thanks to funds from the town,which should carry forward approximately a year.Clouds are on the horizon , however, because of the fact that "China" is no longer taking any recyclables from the USA causing a hardship in disposal of our material as well as increased costs to us.

Recycling Summary .

We handle the following items free of charge, with no sticker required: plastic items(1-7), paper, cardboard, glass containers,tin and aluminum containers,fluorescent bulbs,thermometers,small rechargeable batteries,sharps(used needles)and books,
