

TOWN OF WAREHAM Board of Selectmen

**ATTENTION:
New Polling Location for Precincts 4 & 5**

August 11, 2020

The Board voted to move the polling places for the aforementioned Precincts due to uncertainty whether the gymnasium at the school would become unavailable due to the COVID pandemic and the attendant potential need for more classroom space resulting therefrom.

The Redman Hall at 745 Main Street, West Wareham has been selected as the polling location for Precincts 4 and 5.

As the new polling location is directly across the street from the school, the vote to move the Precincts will have no negative impact upon the citizens' ability to exercise their constitutional right to vote in these elections.

We ask that the Town Website be updated as soon as possible to include the new polling places' location and address.

Respectfully,

Peter Teitelbaum
Chairman, Board of Selectmen
