

What are Wareham's Community Development Needs and Priorities?

This is an opportunity for residents to state what you think that the Town should focus on in the years ahead.

WHAT SHOULD BE THE COMMUNITY PRIORITIES FOR WAREHAM?

- **Streets and sidewalk improvements - are there streets and sidewalks that need improvements?**
- **Wareham Village and Onset Business Districts – should the Town invest in efforts to revitalize these business districts?**
- **Are there public buildings that are not accessible to all residents?**
- **Are there services that could improve the social and economic needs faced by lower income and disadvantaged residents?**
- **How should vacant and underutilized industrial and other properties be redeveloped?**
- **Are recreational programs and facilities adequate? If not, what changes or improvements are needed?**
- **Should the town pursue opportunities to improve local housing conditions?**
- **Should the town consider regional approaches to addressing community needs?**
- **What type of projects should Community Development Block Grant funds be used for in town?**

Wareham residents are invited to a Community Development Strategy meeting to be held on **Wednesday, January 31 at 6:30 PM** at Town Hall, 54 Marion Road. This meeting is being held as the Town prepares its FY 2018 grant application to the MA Department of Housing and Community Development.
