COVID-19 Update 3

Good afternoon,

Today, Governor Baker issued an Executive Order for the Closure of Non-Essential Businesses

The order is effective Tuesday, March 24, 2020 at noon and lasts until Tuesday, April 7<sup>th</sup>, 2020 at noon. The order requires the temporary closure of all businesses that do not provide “COVID-19 Essential Services.” COVID-19 Essential Services businesses are available through this link:

<https://www.mass.gov/doc/covid-19-essential-services/download>

During this period the businesses are to close their physical workplaces and facilities to workers, customers and the public.

The Governor also issued assemblage guidance and an advisory urging residents to stay home and avoid unnecessary travel and activities.

Additional information is available below:

Here is a link to the order:
