

Fios® TV Programming Change

We were unable to reach an agreement to continue carrying Herring Networks, owner of One America News (OAN) and A Wealth of Entertainment (AWE).

Effective July 31, 2022, we no longer have the rights to provide this programming, and it will be removed from the Fios TV lineup.

Please visit [verizon.com/OAN](https://www.verizon.com/OAN) for a full list of impacted channels and to learn more.
