Electricity Disclosure Label is available for Wareham Community Electricity Aggregation program

Wareham, MA – Our Town's community electricity program has posted the latest Electricity Disclosure Label, which describes the energy mix for all program options. The label can be found in the resources section on the program website WarehamCEA.com.

Wareham Community Electricity Aggregation is a program offered by the Town of Wareham to provide residents and businesses with Town-vetted options for electricity supply. Wareham Community Electricity Aggregation does not replace Eversource, the electric utility in Wareham, which continues to deliver electricity, repair any outages, and billing, so customers continue to receive one bill. The program website, **WarehamCEA.com**, contains a description of the program, forms, and a phone number to call with questions.
