

Wareham Americans with Disabilities Act (ADA) Self-Evaluation & Transition Plan

To ensure all Town programs and services are accessible to residents and visitors who have disabilities, the Town has retained Kessler McGuinness & Associates to perform an assessment and develop a strategic accessibility plan. Public input is essential. We would like to hear your ideas and concerns regarding the accessibility of Town programs and facilities. Below are 5 questions:

1	Are there Town buildings/facilities (building structures, parks, playgrounds, trails, docks, recycling centers, etc.) that you have had difficulty using? If yes, please explain:
2	Have you ever had difficulty getting information about a Town program, service or event? If yes, please explain:
3	Do you know how to request Town materials in alternate formats (for example, large print or Braille). Yes No
4	Do you know how to request an accommodation (for example, ASL interpreters or assistive listening systems) for Town services and events? Yes No
5	Any other comments about accessibility?
