Pump Station Generators

**NANUMETT ST, OLD SALT WORKS RD AND TERRY LANE
From Wareham Water Pollution Control Facility**

December 20, 2018

PROJECT: Replace Pump Station Generators
DATE ISSUED: January 17, 2019

ADDENDUM NO. 2

The specification documents for the above-referenced project are hereby amended and/or clarified as per the particular listed below:

CHANGE IN NUMBER OF PUMP STATIONS

This BID is now only to provide generator for the Nanumett St location. Provide labor, equipment and materials to install intake and exhaust louvers for generator ventilation. Installation includes: removal of electric fan in wall; cut and trim wood walls to accommodate installation, cut concrete block and install steel header and balance louver to operate when generator runs.

BIDDER MUST ACKNOWLEDGE RECEIPT OF THIS ADDENDUM BY SIGNING BELOW AND INCLUDING THIS ADDENDUM IN THEIR BID SUBMITTAL.
