WAREHAM Planning Board

Regarding the Maritime  
Haven Robinwood Rd meeting  
April 26, 2021

We are abutters  
Manuel and Cynthia BOTELHO  
52 Robinwood Rd. for thirty  
years.

We know there will be  
a meeting for the neighbors.

The other night we  
listened to the Zoom  
meeting.

We want to clarify  
a few inaccurate statements.

We believe the narrow  
Robinwood Rd is not capable  
to handle traffic from 7 new  
homes. In thirty years since  
we been there one car has  
to pull over <sup>FOR</sup> the other car  
to pass. The road is in need of  
Repair

FOR 30 years The Friary probably had only two cars there for either one Priest And one Friar.

We are really concerned about the flooding on the property The water comes close to going into our crawl space. All we need is a couple days of rain and it floods you see all the Geese in the water

Also we own a dock south of the property with a 23 FT pleasure boat.

When we come in from boating on a windy day it is very difficult to navigate

The boat multi boat dock Impossible. close to our dock Also they are advertising on Urbo to rent the house for 16 people

We are concerned about  
all the people who will be  
renting the house.

Please visit the  
property to see for yourselves

Thank you for listening to  
our concerns.

Hopefully the board will  
take into consideration  
our concerns

HAVE A NICE DAY

Sincerely,

MANUEL L. BOTELHO
