RE: Variance, 214 Barker Road, Wareham, MA  
Demo Permit Application #B-20-149  
Building Permit Application #B-20-134

To: Wareham Zoning Board,

On behalf of the Owner, Barbara Vieira, Derba Construction, Inc. has submitted an application for a variance in conjunction with the above mention Demo and Building Permit applications.

The property, located at 214 Barker Road, Wareham, MA has an existing cottage on the property that we are proposing to demolish and replace with a new home. The new structure will be located in the same location on the property as the previous structure, with a left side setback of 12'2", which is already a pre-existing non-conforming structure.

A copy of the denial letter from the Director of Inspectional Services, and plans and documentation is also submitted with the Application. Please let us know if there is any additional information that you need.

Thank you for your consideration,

Joseph Derba, President  
Derba Construction, Inc.

RE: 212 Barker Rd.

I have reviewed the site plan for the existing structure and the proposed placement of the new foundation after demolition. At this time, I must deny your application. In my opinion, the proposed left side setback of 12.2' does not meet the current requirement of 30' set forth in Section 1354 of the Zoning By-Laws. Therefore, the residential structure may not be demolished and replaced By Right. The Zoning Board of Appeals may grant a Special Permit under Section 1355 and/or Variance under Section 1356.

The subject dwelling is located in Zoning district R-130.

Respectfully,

David Morris  
Director of Inspectional Services  
Zoning Enforcement Officer

In accordance with the provisions of MGL chapter 40A §§ 15, you may apply to the Zoning Board of Appeals for the above noted relief within thirty (30) days of receipt of this letter.

**PROJECT NARRATIVE  
214 Barker Road  
Wareham, MA**

The project proponent proposes to raze & rebuild the single family dwelling & construct the associated driveway, grading, landscaping, and septic system at 214 Barker Road, Wareham, MA. The property is shown as Wareham Assessors Map 125, Lot 1002, is approximately 327,571 square feet, and is located in the Residential District R-130. The property is accessed via a dirt driveway that connects out to Barker Road and is abutted by developed residentially zoned properties to the east, west and White Island Pond to the north.

The property is developed with a single family dwelling constructed circa 1906 and slopes in a northerly direction towards White Island Pond. This is a pre-existing non-conforming site in regards to the left side yard setback. The existing dwelling is only 12.0' from the left side lot line and the required side yard setback is 30'.

The new single family dwelling is also proposed within the left side yard setback, but is further away from the lot line than what currently exists. The proposed left side yard setback is 12.6'.
