Subject: Not sure what else to write

To whom it may concern,

I am writing on behalf of the property at 17 Murphy St. which has been purchased by Scott Green. I have owned 30 Barnes street across above mentioned property for 19 years. Over the years as I look out my window or walk to the beach I have witnessed that property become overgrown, a dumping ground for peoples trash on the beach (when the public trash barrels were taken away), a place where people have engage in drug use, and leave paraphernalia there for others to find. In addition, people will use the overgrown area as a place to use a bathroom if needed. There has been so much positive growth in the town itself and I have watched the Swifts Beach area transform positively over the years. I fully support as a neighbor and a tax payer the building of a home on this dwelling and the other surrounding lots on my corner. It has been a hazardous eyesore, when it could easily transformed to a beautiful home that will only help improve the area that much more
