August 20, 2020

Dear Mr. Sullivan,

We have reviewed your Request for Proposals and have developed a cost proposal that we feel is in the best interest of both the Town of Wareham and the Town of Carver. If you have any questions, please do not hesitate to contact me.

We look forward to a long and successful relationship,

Sincerely

A handwritten signature in blue ink that reads "Michael A. Camara CEO".

Cost per yard to provide Compactors (where they currently exist), Containers, collection and Haul of Trash from Carver Municipal Facilities and Schools (not including totes) \$3.00 per yard with the Town responsible for the disposal

Cost per yard to provide Container, Collection and Processing of recyclables from Municipal Buildings and Schools (not including totes) \$ 3.00 per yard per yard

ABC
[Signature]

Alternate 1 Town of CARVER – Administration costs for all billing and collection activities(increased by 2% per year) lump Sum for year

ABC Disposal would negotiation cost depending on number of units and number of billing cycles

Please list the proposed recycling processing facility that you plan to utilize, the current charge per ton and a proposed method of cost adjustment based on market conditions. This cost should be a “Pass-Through Cost” (provide additional sheets as needed)

ABC Disposal will utilize our Zero Waste Facility for all the recycling. Our bid price for curbside recycling includes the cost of disposal/marketing of recyclables.

Provide costing for any additional services that you would propose the Towns to consider that may be beneficial and are further explained in your Non-Price Proposal (under separate cover)
