GAF Engineering  
266 Main Street  
Wareham, MA 02571

William Madden,

On June 18, 2020 the Wareham Sewer Commissioners granted permission for 24 Oak Street. The Board received plans for a sub-divided lot with two houses built. One lateral will be used to service both houses with manholes in 3 different locations to ensure cleanout access. The property will be charged 2 EDU's.

If you have any questions, please contact the Wareham Pollution Control Facility at (508) 295 – 6144.

Respectfully,

Guy Campinha, Director

GC/cr
