To: Derek Sullivan <dsullivan@wareham.ma.us>; Patty Neal <pneal@wareham.ma.us>;

Derek and Patty

I thank you for the opportunity to bid this work to you today. I had additional open projects which were not to contract at the time, that have since gone to contract. Unfortunately I can not make myself available for this work and decline to bid this project. I wish you the best in the procurement and completion of this work.

Thank you
