

BID QUESTIONS

Chemicals 2016

1. Did you have a need for any bulk Methanol over the past 12 months? I noticed there was a “no bid” on your bid tab and wanted clarification.
 - a. *No one bid; we used the successful bidder from the previous year.*
 - b. *We have a need for Methanol from April 1st to October 31st. It is a carbon source for denitrification. 1,000 gallon delivery at a time on a monthly basis.*
2. How many drums of Potassium Permanganate do you buy at a time? Can you give me a rough estimate in lbs.?
 - a. *There are 4 drums per pallet; 1,320 lbs.*
3. How many drums or pails of Potassium Permanganate are delivered to Wareham per delivery?
 - a. *There are 4 drums per pallet.*
4. Do you receive the drums and the pails in the same delivery?
 - a. *It is possible to receive drums and pails in the same delivery, it is not a rule.*
5. What is the estimated bid volume for the Permanganate for the 12months?
 - a. *Approximately 6,930 lbs. per year.*
6. Could you provide me with the last bid results?
 - a. *See attached (Chemical Bid Results-2015)*
