To: Sonia Raposo <sraposo@wareham.ma.us>;

Thank you.

Just want to remind you that the sewer commissioners have not granted permission for this project. There is a moratorium on all new sewer hook ups to the sewer system. Realizing that it is under the purview of the ZBA, we are assessing the capacity of the treatment plant to handle the flow requested and would ask the ZBA not to take action at this time. We are also concerned with non -flushables products and need to know mitigation plan.
