George Barrett, Chairman
Planning Board
54 Marion Road
Wareham, MA 02571

Dear Chairman Barrett & Members of the Planning Board:

As owners of the Glen Cove Hotel and Marc Anthony's La Pizzeria, my family and I are dedicated to seeing Wareham thrive as a community. However, this has become particularly challenging due to the pandemic. In fact, the town recently experienced a cut of 10% in state aid and there are likely more budget cuts to come.

Therefore, I am writing to urge your favorable consideration of the zoning change proposed for the R-130 district north of Route 25. This proposal would simply rezone this district from residential uses and allow other types of development to be considered.

As a result, I believe that this is a reasonable proposal that is in the best interests of our community. Thank you for your attention to this matter.

Sincerely,
John Salerno
