

Site Plan Review
Application

Dear Applicant,

It is the Town's policy that any permits and approvals shall not be granted unless the applicant and/or property owner(s) taxes are paid. As a result you should ascertain the status of your property tax, auto excise and all other fees, prior to submitting any application to the Zoning Board of Appeals, Planning Board and/or Conservation Commission and, unless all fees and taxes are paid or a payment agreement with the Tax Collector has been established (this should be exhibited by a signed statement from the Tax Collector), no approvals shall be issued. In addition, approval by the Zoning Board of Appeals, Planning Board or Conservation Commission does not constitute an approval for permitting or licensing as required from the Local Licensing Authority, that is, the Board of Selectmen. The applicant should ascertain the availability of any necessary permits from the Board of Selectmen, prior to appearing before any Board or Commission for their respective approval.

Thank you for your cooperation.

Article IV
Denial, Revocation or Suspension of Local
Licenses/Permits to Delinquent Tax Payers

Acceptance of provisions of Massachusetts G.L. Chapter 40, Section 57 relative to the denial, revocation or suspension of local licenses and permit for failure to pay municipal taxes or charges and to adopt a By-Law pursuant to said Section 57 of Chapter 40 relative to the denial, revocation or suspension of licenses and permits to delinquent tax payers in the following form:

Section 1. The tax collector shall annually furnish to each department, board, commission or division, herein after referred to as the licensing authority, that issues licenses and permits including renewals and transfers, a list of any person, corporation, or business enterprise, herein after referred to as the party, that has neglected or refused to pay any local taxes, fees, assessments, betterments or other municipal charges for not less than a twelve month period, and that such party has not filed in good faith a pending application for abatement of such tax or a pending petition before the appellate tax board.

Section 2. The licensing authority may deny, revoke or suspend any license or permit, including renewals and transfers, or any party whose name appears on said list furnished to the licensing authority from the tax collector or with respect to any activity, event or other matter which is the subject of such license or permit and which activity, event or matter is carried out or exercised or is to be carried out or exercised on or about real estate owned by any party whose name appears on said list provided, however, that written notice is given to the party and the tax collector, as required by applicable provisions of the law, and the party is given a hearing, to be held not earlier than fourteen days after said notice.

Said list shall be prima facie evidence for denial, revocation or suspension of said license or permit to any party. The tax collector shall have the right to intervene in any hearing conducted with respect to such license denial, revocation or suspension.

Any findings made by the licensing authority with respect to such denial, revocation or suspension shall be made only for the purposes of such proceeding and shall not be relevant to or introduced in any other proceeding at law, except for any appeal from such license denial, revocation or suspension.

Any license or permit denied, suspended or revoked under this section shall not be reissued or renewed until the licensing authority receives a certificate issued by the tax collector that the party is in good standing with respect to any and all local taxes, fees, assessments, betterments or other municipal charges, payable to the municipality as the date of issuance of said certificate.

Section 3. Any party shall be given an opportunity to enter into a payment agreement, thereby allowing the licensing authority to issue a certificate indicating said limitations to the license or permit and the validity of said license shall be conditioned upon the satisfactory compliance with said agreement. Failure to comply with said agreement shall be grounds for the suspension or revocation of said license or permit; provided, however, that the holder be given notice and a hearing as required by applicable provisions of the law.

Section 4. The Board of Selectmen may waive such denial, suspension or revocation if it finds there is no direct or indirect business interest by the property owner, its officers or stockholders, if any, or members of his immediate family, as defined in General Laws, Chapter two hundred and sixty-eight A (268A), Section 1 in the business or activity conducted in or on said property.

Section 5. This article shall not apply to the following licenses and permits authorized by the following sections of the General Laws: open burning, Section thirteen (13) of Chapter forty-eight; bicycle permits, Section eleven A of Chapter eighty-five; sales of articles for charitable purposes, Section thirty-three of Chapter one hundred and one; children work permits, Section sixty-nine of Chapter one hundred and forty-nine; clubs, associations, dispensing food or beverage licenses, Section twenty-one E of Chapter one hundred and forty; dog licenses, Section one hundred and thirty-seven of Chapter one hundred and forty; fishing, hunting, trapping license, Section twelve of Chapter one hundred and thirty-one; marriage licenses, Section twenty-eight of Chapter two hundred and seven and theatrical events, and public exhibition permits, Section one hundred and eighty-one of Chapter one hundred and forty. (Article 16 of December 5, 6, and 23, 1994 Special Town Meeting; approved by Attorney General February 27, 1995).
