APPLICATION FOR ENDORSEMENT OF PLAN
BELIEVED NOT TO REQUIRE APPROVAL

March 9, 2023

To the Planning Board of the City/Town of Wareham

The undersigned wishes to record the accompanying plan and requests a determination and endorsement by said Board that approval by it under the Subdivision Control Law is not required. The undersigned believes that such approval is not required for the following reasons: (Circle as appropriate.)

1. The accompanying plan is not a subdivision because the plan does not show a division of land.
2. The division of the tract of land shown on the accompanying plan is not a subdivision because every lot shown on the plan has frontage of at least such distance as is presently required by the Wareham zoning by-law/ordinance under Section 621 which requires 180 feet for erection of a building on such lot; and every lot shown on the plan has such frontage on:
 - a. a public way or way which the City or Town Clerk certifies is maintained and used as a public way, namely _____, or
 - b. a way shown on a plan theretofore approved and endorsed in accordance with the subdivision control law, namely _____ on _____, and subject to the following conditions _____; or
 - c. a private way in existence on 3-5-1951, the date when the subdivision control law became effective in the city/town of Wareham having, in the opinion of the Planning Board, sufficient width, suitable grades, and adequate construction to provide for the needs of vehicular traffic in relation to the proposed use of the land abutting thereon or served thereby, and for the installation of municipal services to serve such land and the buildings erected or to be erected thereon, namely Squirrel Island Rd
3. The division of the tract of land shown on the accompanying plan is not a "subdivision" because it shows a proposed conveyance/other instrument, namely _____ which adds to/takes away from/changes the size and shape of, lots in such a manner so that no lot affected is left without frontage as required by the _____ zoning bylaw/ordinance under Section _____, which requires _____ feet.
4. The division of the tract of land shown on the accompanying plan is not a subdivision because two or more buildings, specifically _____ buildings were standing on the plan prior to _____ the date when the subdivision control law went into effect in the city/town of _____ and one of such buildings remains standing on each of the lots/said buildings as shown and located on the accompanying plan. Evidence of the existence of such buildings prior to the effective date of the subdivision control law is submitted as follows:
