Proposed Vegetated Buffer*

Dear Members of the Wareham Planning Board:

I am submitting the attached figure entitled “Vegetated Buffer Figure, Proposed Solar Array, Wareham, MA,” dated May 16, 2022 and prepared by VHB for Wareham PV I, LLC. The figure depicts the vegetated buffers proposed by Wareham PV I, LLC at the April 11, 2022 public hearing in response to the Planning Board’s comments offered during the hearing.

We look forward to discussing the figure with you at the next public hearing on May 23, 2022. VHB will bring hard copies to the hearing.

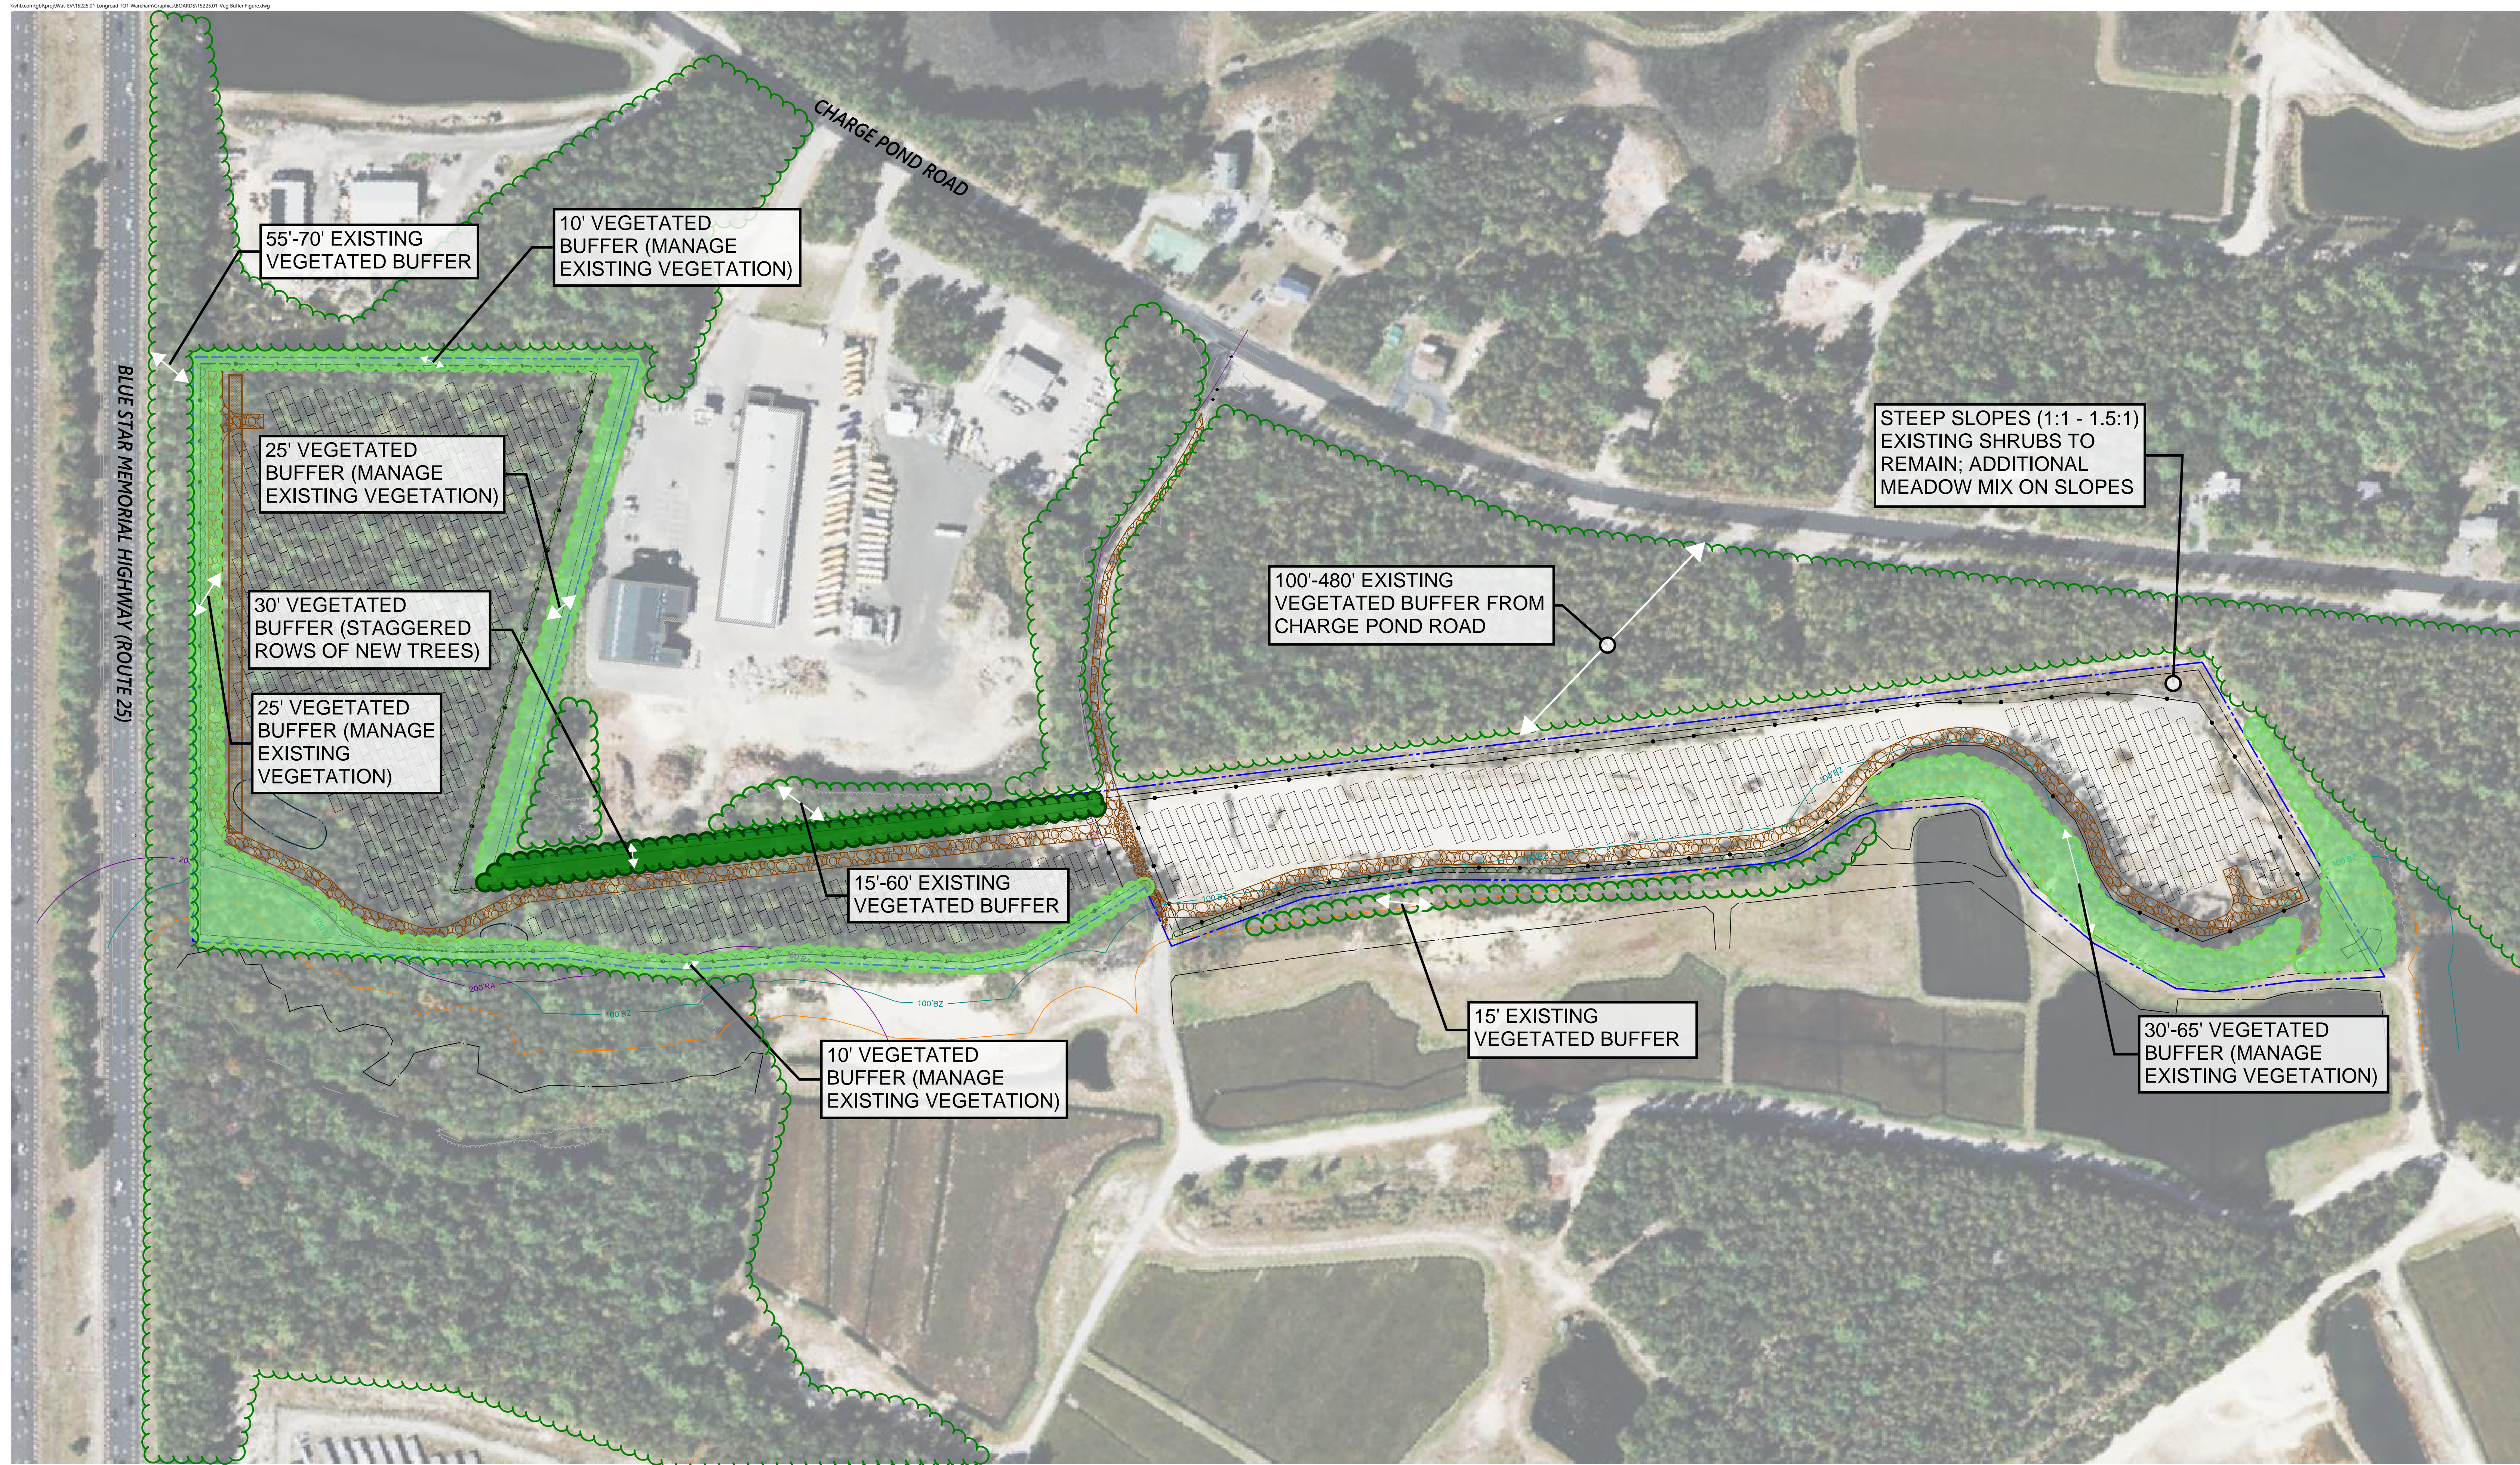

Thank you very much.

Sincerely,

Elizabeth F. Mason
