Dear Mr. Buckland,

I have reviewed the items submitted for the proposed project to be located at 238-240 Sandwich Road. The proponent has addressed the requirements of 527 CMR 1.00 Chapter 18 in regard to fire department access. Unfortunately, we are not able to provide any further comments until we receive a complete submittal for this project. We will provide the board with our final review upon receipt of the complete site plan submittal.

If your office has any further questions regarding this matter, please feel free to contact our office.

Respectfully,

Captain Christopher Smith
Fire Prevention
