NOTICE OF DECISION OF THE WAREHAM ZONING BOARD OF APPEALS

Petition: 20-22

Applicant/Owner: Rhonda Finnerman

Owner Address: 894 Huntington Dr. Fishkill, NY

Subject Property Address: 18 Ocean Avenue, Wareham, MA

Subject Property Parcel ID: Map 1, Lot 124-B

Date of Public Hearing: July 13, 2022

Date of Notice: July 13, 2022

Decision/Reason:

The Zoning Board of Appeals grants a Variance to construct a second-story addition at 18 Ocean Avenue. The Board held a public hearing, took testimony and reviewed the filed documentation.

The Board found that the width of the lot is unique to the zoning district, and that the proposed addition is not more detrimental to the neighborhood than the existing conditions. The project does not create a substantial impact to the neighborhood, and it meets the standard considerations of statutory requirements under MGL Chapter 40A Section 10.

The Board finds the proposal meets the tests under State law for a Variance, and grants the requested relief.

Conditions:

1. The renovations to be constructed per the site plan submitted with the application, entitled "18 Ocean Avenue" prepared by G.A.F Engineering, Inc., dated March 17, 2022, with a revision date of May 6, 2022, and plan set by Anthi Frangiadis Associates, dated April 11, 2022.
2. Upon completion, an "As Built" plan is to be submitted to the Building Department with a copy provided to the Board of Appeals.
3. Any relief not expressly granted hereunder is hereby denied.
4. For this decision to become effective, a copy of said decision and notice thereof must be filed at the Plymouth County Registry of Deeds and must bear the certification of the Town Clerk that twenty (20) days have elapsed and no appeals have been filed, or that if such appeal has been filed, that it has been dismissed or denied. A certified copy of said recording must be thereafter filed with the Board of Appeals.
5. If substantial use or construction permitted by this Variance has not commenced within one year from the date of which a copy of this decision is filed with the Town Clerk, excluding the amount of time required for an appeal period to expire and the amount of time required to pursue and await the determination of any such appeal, then this Variance shall expire in so far as the foregoing statement is modified by Chapter 195 of the Acts of 1984. Any person exercising rights under a duly appealed Variance does so at the risk that a court may reverse the permit and any construction performed under the permit may be ordered undone.
6. Any person aggrieved by this decision of the Zoning Board of Appeals may file an appeal pursuant to the provisions of M.G.L. Chapter 40A, section 17 within twenty (20) days of the filing of this decision in the office of the Town Clerk. If no appeal is taken within the allotted time, the Clerk will so certify.
7. If the applicant wishes to modify the approved Record Plans, it shall submit proposed modifications in accordance with the provisions of this paragraph. Where such modification is

deemed substantial, the same standards and procedures applicable to an original application for approval shall apply to such modification and a public hearing shall be required by the ZBA; provided, however, that the ZBA may determine that a proposed modification is insubstantial and approve the same without the need for any further ZBA approval.
